WHAT WE'RE TEACHING

Plot Twist —A 6 week series in preparation for Easter | @ Basic

Whether it's your favorite movie, book, or reality show, you know there's nothing like a good plot twist! Those storytelling surprises can keep us entertained, but they can do a lot more than that, too. A good plot twist can make us rethink everything we thought we knew, see things in a brand new light, and get excited about what might happen next. That's never more true than in the most surprising and significant plot twist in history — Jesus' death and resurrection. In this six-week series, we'll look at six surprising stories from Jesus' death, resurrection, and last days on earth. These stories will show us that, when life takes unexpected turns, God gives us help. And even when we've messed up or are ready to give up, Jesus never turns away from us, but gives us life, gives us hope, is with us, and gives us another chance.

The Big Questions—A 4 week series diving into our biggest questions about life and faith | @ MERGE

The researchers at Fuller Youth Institute collected hundreds of hours of research from teenagers, churches, and student-focused organizations across several cultures, as well as answers from students of varying races, socioeconomic backgrounds, and genders. The research revealed huge opportunities for the church to walk with a generation as they ask "Who am I?", "Where do I fit in?", and "Do I matter?". They took these insights and developed this curriculum. This series will spark new discipleship conversations as teens discover Jesus-centered answers to their biggest questions of identity, belonging, and purpose.
